- Benefitting from consent for the demolition of existing buildings and the erection of 100 apartments in 3 blocks

****Price significantly reduced to only offers over £775,000****

0113 2348999

Location

The former Princess Works is situated close to Brighouse town centre adjacent the River Calder on the junction of Birds Royd Lane with the main A641 Huddersfield Road. The site is immediately opposite Brighouse train station which provides good rail links throughout the area.

Brighouse town centre is within walking distance and immediately opposite (on the opposite side of the River Calder) is the successful Millroyd Island apartment development. Brighouse town centre continues to be a bustling town as well as being less than 1.5 miles from junction 25 of M62. The M62 motorway provides strategic links to both Leeds City Centre and Manchester.

Description

The former Princess Works comprises a derelict former mill building (to be demolished as part of any future development) along with Service Garage and former music shop facing Huddersfield Road.

The site does benefit from planning for residential development (see below) although is located in a mixed land use area with Birds Royd Lane incorporating a number of substantial industrial and warehouse operators including Severn Univa and Howdens Joinery. The site could be suitable for a variety of uses including residential, industrial, trade warehouse scheme, commercial or care (subject to requisite planning).

Total Site Area 0.39 ha (0.95 acres) or thereabouts

Services

We understand mains water, sewer drainage and electricity were connected to Princess Works although no tests been carried out on any of the aforementioned services or previous appliances and therefore we are unable to comment as to their condition or capacity.

Planning

Given the sites planning history and being located in a prominent position in a mixed use area, the site could be suitable for a variety of industrial/commercial or residential uses (subject to requisite planning).

The site was subject in 2013 to an application for the demolition of the existing buildings and construction of a food store (A1) with car parking, access, landscaping and associated works (part of a larger site).

Subsequently in December 2018 the site secured a consent for the demolition of the existing building and erection of 100 residential units in 3 blocks plus gymnasium, car parking, public realm, landscaping and ancillary works (17/01556/FUL).

Copies of all further information relating to the previous planning consents and associated information is available upon request.

Prospective purchasers should satisfy themselves with regard to all rating and planning matters direct with the Local Authority, Calderdale Council Tel: 01422 3587257.

Accommodation

The planning consent secured in 2018 for residential development involved the demolition of the existing buildings.

The proposed development extends to 6,687m² (71,983 sq ft) gross being 80 one bed standard apartments with balconies, 10 one bed non standard apartments and 10 two bed apartments.

Vacant Possession

The site is offered with vacant possession upon completion.

Price

Substantially reduced to seeking offers in excess of £775,000.

VAT

The price is quoted exclusive of VAT.

Legal Costs

Each party to be responsible for their own reasonable legal costs in completing of the transaction.
