## Location

The premises are situated on the high profile junction of Station Road with the extremely busy A62 Leeds Road. Nearby occupiers include Tesco, Greggs, C&J Antich & Son and Nationwide Crash Repair Centres Ltd.

The main A62 Leeds Road is exceptionally busy and connects Huddersfield town centre with Junction 25 of the M62 (Brighouse). Therefore the premises do enjoy excellent links throughout the Huddersfield/North Kirklees area and as well as to the motorway network (via the East West M62)

## Description

The premises comprise a high quality steel portal framed industrial unit, which was purpose built for engineering, and benefits from internally built 2 storey office and ancillary accommodation. The premises are part brick fronted with the majority being metal clad under a pitched insulated metal decking roof incorporating Perspex roof lights.

Externally the premises benefit from a large concrete yard providing parking along with excellent vehicle turning/loading provisions. The premises also benefit from an interceptor in the yard.

## Accommodation

Workshop/warehouse 553.15m<sup>2</sup> (5,954 sq. ft)

Providing high quality open plan accommodation with a 5 ton overhead crane, substantial incoming power, loading door and lighting. The premises also benefit from internal partitioning to form works office/testing room and 6.25m to underside of haunch.

2 storey offices 235.08m<sup>2</sup> (2,530 sq. ft)

Comprising general offices, private offices, meeting room, canteen and toilet facilities.

**Gross Internal Floor Area 788m<sup>2</sup> (8,484 sq. ft)**

## Services

We are advised the premises benefit from mains gas, three phase electricity, water and sewer drainage. The premises also benefit from air conditioning, compressed air lines (compressors need to be installed), heating and lighting, though no tests have been carried out on any of the aforementioned services or appliances and therefore we are unable to comment as to their condition or capacity.
